Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The following text is heavily redacted and appears to be a standard disclaimer or notice:

1. The filing of an application for a patent, including its publication, does not give the owner of the application any right to exclude others from making, using, or selling the invention. The right to exclude others from making, using, or selling the invention is granted only by a patent, which is issued only if the application is filed in the United States Patent and Trademark Office, and only if the application is filed in accordance with the requirements of the Patent Act.

2. The filing of an application for a patent, including its publication, does not give the owner of the application any right to exclude others from making, using, or selling the invention. The right to exclude others from making, using, or selling the invention is granted only by a patent, which is issued only if the application is filed in the United States Patent and Trademark Office, and only if the application is filed in accordance with the requirements of the Patent Act.
